

Teacher Newsletter

April 2025

Issue 5

A message from Grace:

Happy Spring! I hope you're doing well and had a chance to enjoy a restful spring break. It's been a busy season so far for our Three Rivers SWCD staff with field trips, community events, and much more. As we head into the final stretch of the school year, I'm here to support you in any way I can. Please feel free to reach out with any questions or ideas on how I can best assist you and your students.

Just a reminder, Youth Conservation Camp applications are still open! If you have students currently enrolled in grades 9-12 who might be interested, please have them complete an application and send it back to me by April 30th, 2025. Three Rivers SWCD is proud to sponsor selected students.

Reminders!

We have SOL Education Capsules available to rent! Visit our website for more information.

Our Soil Tent is available for use! Reach out to me if you would like this tool brought to your class!

Fun Resources!

Look into downloading [Seek by iNaturalist](#)! This app (compatible with IOS and Android devices) gives nature lovers an opportunity to start learning how to identify species when out exploring! Safe for all ages, Seek does not collect data or ask for a login.

Important Dates:

- Earth Day: April 22nd
- Youth Conservation Camp Application due to TRSWCD: April 30, 2025
