

THREE RIVERS SWCD TEACHER NEWSLETTER ISSUE 13

A Message from Grace:

Hi teachers! Happy Fall! I hope you all are having a great school year so far. As a reminder, I am here to assist in anyway you might need! If you are interested in booking a program for the Fall semester, make sure to reach out soon, as my calendar is filling up fast! As always, if you have any questions, don't hesitate to reach out!

Upcoming Opportunities:

NACD Poster Contest: All submissions for this year's "Soil. Where It All Begins" poster contest are due to me on October 9th, 2026. If you would like more information, let me know!

Program Offerings:

- Interactive Soil Tent
- Sod Box Erosion Demonstrations
- Project WET/WILD/PLT Lesson Plans
- Stream Crime Investigation (SCI) Lesson
- Enviroscope Model

Don't see a lesson that works for your classroom? Send me an email and I can send you a list of lessons and SOL correlations!

Resources:

- The first ever Environmental Literacy Strategic Plan was approved! See more [here](#).
- The beautiful fall colors are starting to peak through! Click [here](#) to view the Dept. of Forestry's Fall Foliage Report.

Fall Fun Fact:

Did you know: bats aren't just Halloween decor! They eat half of their body weight in insects every night. For a small bat, that could equal up to 1,000 mosquitos in an hour!
